DISTRIBUTION STRATEGY

This product is intended for distribution via FCA authorised brokers only. Brokers must be approved by us and enter into our standard format TOBA. Our preferred method of agreeing TOBAs is via REG. Brokers may access this product via our website enquiry forms or by submitting information by email to our relevant team.

Sub- broking is not permitted.

COMMISSION

We will agree a commission rate with each distributor. All distributors should be able to demonstrate that commission received bears a reasonable relationship to the actual costs of their contribution/level of involvement or benefit added by them to the distribution arrangement. We may ask you to justify your commission rate and if we are not satisfied that it is appropriate we may seek to amend it.

OTHER REMUNERATION

We will charge an Underwriting Fee on any new business or renewal policy taken up. Full details regarding our fees are detailed within quotation and schedule documents. We review our fees annually to ensure that they remain appropriate.

We may ask you provide details of remuneration you earn in connection with the sale of our policy. This includes any fees, premium finance earnings, earning from non-insurance products or add-ons sold alongside our policy.

You must ensure that your arrangements are consistent with FCA rules on conflicts and incentives. You should review all remuneration arrangements at least annually and share the outcome of that review with us on request.

FAIR VALUE REVIEW

ARAG

ARAG operate a robust sign off process for all new products and material

product changes, with the following areas of accountability.

- Product Development Team produce technical performance reviews at product and thematic level. This work informs pricing and product content.
- Product Development Team conduct research and co-ordinate product launch/relaunch/change activity. The team drafts policy documentation, supporting literature and provides technical training.
- Product Development Team engage with stakeholders throughout the process.
- The Product Development Manager sits on the Conduct Risk Committee.
- Underwriting & Claims Committee provide approval of product development.
- Sales, Product & Innovation and Group Risk Management at ARAG Group (and other stakeholders) approve new product ideas/innovation.
- Products are also approved by our capacity Underwriters.
- Underwriting teams conduct technical performance reviews at account level.
- Claims audit teams audit external service providers.

Products are reviewed at regular intervals, scheduled based on a number of factors such as the size, scale, contractual duration and complexity of those insurance products, their respective distribution channels, and any relevant external factors such as changes to the applicable legal rules, technological developments, or changes to the market situation. Such reviews will be undertaken every 12 months or more frequently where the potential risk associated with the product makes it appropriate to do so.

Camberford Underwriting

Our product governance process requires a full review of all products at least annually to determine if the product offers fair value to the end customer. These reviews consider the target market, distribution strategy, remuneration, marketing, product information, product performance, product design and feedback from distributors and customers.

We also monitor conversion rates, renewal retention, cancellations, loss ratios, claims and complaints as part of this review process.

We are satisfied that the product offers fair value to its intended Target Market, subject to distributors:

- not charging customers additional amounts over and above the gross premium plus underwriting fees quoted by us without first determining that they do not have a detrimental effect on the value of the product.
- ensuring that no duplicate cover exists or is caused by an add-on where that cover is already provided by the policy.

**CUSTOMERS FOR
WHOM THE PRODUCT
IS NOT EXPECTED TO
PROVIDE FAIR VALUE**

This product would not be expected to provide fair value to policyholders / risks that fall outside the Target Market.
